Subject: Havards IT Reference Document.

All the codes and passwords are in a word document named "Havards IT Reference". It has been updated to cover your new laptop.

This shows for me at the top level in the Havards Google Drive. Here's a link
<https://docs.google.com/document/d/1RM7RY7QT1L41XWSpOxmHoR-GHLzgZB-y/edit?usp=sharing&oid=116942558592670579555&rtpof=true&sd=true>

There's a password as this document contains the passwords for everything that I support. We need to get Chris to add full details of the EPOS system also, or record these separately.

The password is **(SHGTref+)**

Best wishes,
Brendan
